FRL433 Portfolio Management Assignment

Research Guide at http://libguides.library.csupomona.edu/frl433

Tips:
1. **IBISWorld**: Look up an industry to learn more about it.
2. **Mergent Online**: Use NAICS search to find companies within an industry. Use Advanced Search to find companies that fit certain criteria, including NAICS, PE Ratio, Revenue, Debt, etc.
3. **S&P’s NetAdvantage**: Look up the S&P 500 and see how its companies are doing. Look up a company to chart its stock performance over varying time periods.
4. **ABI/Inform**: create a search and set up an alert to get daily updates about a company or industry.
