ABI/INFORM is the library’s main business database. This database gives you access to articles from trade journals and more.

1. To access this database, go to the library home page: https://www.cpp.edu/~library/index.shtml.
2. Click on “Databases” under Featured Links.
3. Select ABI/INFORM.
4. Once you launch the database, go to the Advanced Search screen and add in your keywords, dates, and “trade journals under Source type. See below for a sample search.
